PREFACE

This edition reproduces the *Sonate a Flauto Solo con Cembalo o Violoncello* published by Antonio Bortoli (Venice) in 1720: a print of moderate quality in movable types already in score format. The copy used for this edition is in the *Museo Internazionale e Biblioteca della Musica* in Bolgna (Italy).

EDITORIAL REMARKS

- All editorial additions are placed above the staff or marked by dotted lines or parentheses.
- Original clefs, key signatures, time signatures, note values, ties, slurs, bar lines have been retained. An additional continuo separate part without the use of the tenor clef has been provided for the use of non-cellists, in which the bass clef is used thoroughly. As the source was in movable types with notes all separated, beaming have been added.
- All marked accidentals have been retained, even when superfluous according to modern conventions; however, they have been silently ‘modernised’ when today conventions dictate a different sign (i.e.: a sharp used to raise a flattened note has been converted to a natural sign).
- Accidentals above the staff or in small type between parentheses are editorial suggestions.
- Rehearsal marks in the *Follia* are editorial additions.

CRITICAL NOTES:

1. Original: ♯ instead of 7
2. Original: ♭ instead of ♮
3. Original: B.

AL BENIGNO LEGGITORE

Benché io conosca per esperienza, che la presente Opera può esser sonata siccome ella è descritta, nulladimeno chi non avrà lena bastante per modulare i lunghi passaggi, che in essa si trovano, potrà nel tempo ordinario omettere la prima Nota del primo, ò terzo quarto, e nella Tripola la prima di qualche battuta, quando però sarà accompagnata del Basso continuo, perché facendo pausa anche lo stesso Basso farebbe cattivo effetto. Tanto avvertisco a tuo maggior comodo, e a tua maggior soddisfazione, o cortese Leggitore. Tu compatisci, e vivi felice.

TO THE KIND READER

Although I know out of experience that this work can be played as written, those who do not have the breath to play its long passages can, in the common time, omit the first note of the first or third crochet and, in the ternary time, the first note of some down beats. However, doing so when the bass also pauses is not recommended, as it yields a less pleasing result. Be happy!
